

## 13 Questions on Death -Mortality Talking- Gasbag

*Thanks for taking the time to consider and respond to these questions.  
Once done, please email to Victoria at [vicspence@optusnet.com.au](mailto:vicspence@optusnet.com.au)*

1. If death were a country:

What would you pack?

What would you leave behind?

2. Can you list at least 3 things you would really like to know about death and dying?

3. Have you ever died? Can you share about that?

4. If someone you love is dying what do you want **them** to feel, to know?

5. If someone close to you has died, did you feel ready?

6. If so, what made that possible?

If not, what would have made you feel better equipped?

7. Have you ever participated in the creation of a funeral ceremony?

8. What was important to you about that?

9. Is there anything you know now that you wish you knew then?

10. What experience of, or opinion do you have about the Funeral Industry?

11. If you ran a funeral home, what would you do and how would it differ?

12. Is there something you would really like to know about what happens to a body in that time after death and before a funeral?

13. Is there anything else you are dying to know?
